

The Robert H. and Catherine H. Goldsmith Scholarship Fund

“We are pleased to provide this opportunity for a student to continue his or her education through to a master’s degree, which is fast becoming the degree of choice for the practice of engineering.” -Goldsmith.

The Robert H. and Catherine H. Goldsmith Scholarship Fund assists students in their final year of completing a master’s degree in engineering.
Goldsmith is a 1951 Mechanical Engineering graduate from the University at Buffalo.
