

This enrichment program is designed for qualified students interested in exploring the wonder and excitement of science, math and technology in a hands-on learning environment. Program includes field trip and career speakers.

Engineering Camp for Girls- A week long camp will be offered at ECC North Campus July 25-July 29, 2011 for girls completing the 7th, 8th, or 9th grade in June of 2011. The students will work on hands on projects in mechanical and civil engineering. There is no cost for the program. The camp is being sponsored by the WNY Career Pathways Consortium and the University of Buffalo's BEAM program. For more information, contact the BEAM office at (716) 645-3066 or email helenbrk@buffalo.edu
