

Dean Mark Karwan congratulated the many distinguished students at this year's scholarship awards. Below are photos of the event and excerpts from letters sent by scholarship and award winners to the donors who funded their respective awards. The letters written by these incredible students give moving evidence of the great things accomplished by these awards.

Awardees are pictured with Dean Karwan and with some of the donors and faculty who made particular scholarships possible. Awardees names are bolded, donors and faculty are not.
