What: A math competition for teams of 4 students from one grade level. The contest consists of three challenges:

- Challenge 1 - an interdisciplinary team project to be completed prior to the competition
- Challenge 2 - timed individual questions
- Challenge 3 - timed team questions

Top 3 winners of the interdisciplinary project are invited to present their solution to all participants at the competition on March 18, 2005.

Who: Students in grades 6, 7, & 8

When: March 18, 2005

Where: University at Buffalo, Amherst Campus

Cost: $20.00 per team of 4 (or $5.00 per student)

Timeline:
- Registration forms available October 1, 2004
- Letter of Intent due October 15, 2004
- Team Registration & Payment due November 12, 2004
- Challenge 1 project due Mailed by noon March 3, 2005
- Challenge 1 presenters notified March 8, 2005

Goal: The goal of this contest is to involve as many students in mathematics as possible across the region.

Space: Space is limited, so please keep in mind that registration is based on a “first come, first served” basis. The awards given at the contest go to the teams/students with high scores.
