Material List

Each student should have the following to solve the individual questions:

1. calculator
2. pencil(s)
3. pen(s)
4. highlighter

The following is a list of materials students may find useful to solve the team questions:

1. calculator
2. pencil(s) with erasers
3. pen(s)
4. highlighter
5. marker
6. inch/metric ruler
7. rectangular prism (like a kleenex box) (to be used to help them go from 2-D to 3-D)
