

# MAE Praxair Seminar

*“Library Resources to support Research and Academic Activities in Mechanical and Aerospace Engineering”*  
**Part II**

**Nancy Schiller  
&  
Ben Wagner**

**Engineering Librarians  
University at Buffalo**

## **Abstract**

This second seminar in the two-part series will conclude the discussion regarding the library resources available from the University at Buffalo libraries to support research and academic activities in the Mechanical and Aerospace Engineering department. In the latter part, a quick overview of End Note, a software tool for bibliographic reference management will be presented emphasizing its integration with various electronic catalogs available via the University at Buffalo library.
